

## Louisville Vacation Expo

continued from page 1

at the Louisville Vacation Expo, and AAA Travel will be sure that it's satisfied.

At the Vacation Expo, the canals of Venice and Amsterdam will seem like they are only a gondolier away. The midnight sun of Iceland is lighting the path to fjords, lagoons and waterfalls. Fields of purple Alaskan lupine and unique, friendly villages help make this island a rising star among destination hotspots.

Barcelona, Budapest, London, Dublin, Berlin, Rome, Paris, Copenhagen ... The list goes on and on and on, and the Louisville Travel Expo is here to make sure each and every adjective will be available to describe these wonderful places down to the very last detail.

Don't forget about Asia, Africa, Australia and Antarctica. These places alone are premier Bucket List destinations, and we haven't even gotten out of the A's! Questions abound; the Louisville Vacation Expo has the answers.

Indulge your imagination. You're on the high seas or a famous river. A luxury cruise on the Mediterranean will have you witnessing first-hand the Ancient Greek Ruins. A river cruise will put you on the Rhine, Danube or Nile. How does visiting the Egyptian Pyramids and Sphinx sound? We already know the answer. The Louisville Vacation Expo will make sure you're face-to-face with

Image: Maridav. Adobe Stock.

King Tut's tomb.

And not all top destinations are outside of the United States of America. How does Hawaii sound? How about Alaska? Maybe California?

Whet your palate on a trip through Wine Country in Northern California. Tour by train, bus or rented vehicle. Also at the Vacation Expo,

learn about what America's national parks have to offer. Utah is home to Moab and Arches National Park. It's a red-rock wonderland that sits in the foreground of the snowcapped Rockies. Geysers let off steam by the hour in Yellowstone. The sightings of elk, bison, bears, moose and a bevy of other animals enhance the experience. Mount Rushmore is a majestic

stone portrait of history in South Dakota. See the northern lights at Montana's Glacier National Park or Denali National Park and Reserve in Alaska, where you'll witness the highest point in North America.

Train excursions barrel through the Rocky Mountains. The scenery lights up your senses. A desolate barn may rest in the untouched snow of an abandoned field. Mountains rest in the background and a calm lake snuggles with the front door, with the hill-tops reflecting off the water.

How's that for variety? It's a time to recharge your curiosity to travel to all of these destinations, and many more! The Louisville Vacation Expo will guide you in the right direction.

Plan a destination wedding. Imagine tying the knot while standing barefoot in the soft sand of the Caribbean or Hawaii. Or how about under the bright lights of Las Vegas? Or a cruise ship – the moon dotting the sky while you exchange vows on the top deck?

Group tours could take you through the dashing surroundings of the Canadian Rockies by motorcoach.

Journese by Pleasant Holidays unlocks a treasure chest of opulence that will take you to all corners of the globe, and vendors will be on hand to tell you about your options.

Pack your bags and put in that PTO. Choose your destination and allow AAA Travel to take it from there.
